INTRODUCING OUR NEW SKIN SCANNER

A skin analysis can help to identify potential skin problems, such as sun damage, acne, photo-aging, and sensitivity. By identifying these areas, your esthetician can customize your facial to treat and prevent further damage.

PUMPKIN POLISH BODY TREATMENT

Your treatment starts with a 30-minute full-body scrub using our pumpkin-spice polish mixed with pure pumpkin seed oil for maximum moisture retention. Following your scrub, indulge in a relaxing outdoor shower in your private courtyard. The pampering continues with a 50-minute full-body Swedish Massage using our decadent pumpkin-spice butter cream. You will leave feeling relaxed and ready to carve pumpkins.
